REVISED SCHEME OF SERVICE FOR NURSING PERSONNEL

I am pleased to inform you that the Revised Scheme of Service for Nursing Personnel which forms an appendix to this letter has been finalized and is ready for implementation with effect from May, 2014.

The Schemes establishes five (5) grades of Enrolled Nurses, seven (7) grades of Registered Nurses and eight (8) grades of Nursing Officers. It provides clear and concise job descriptions and specifications at all levels within the grading structure. The provisions of this Scheme once implemented will no doubt greatly assist in the recruitment, deployment, retention and general development of the Nursing Personnel Function.

Please take the necessary action and ensure that the provisions of the Scheme of Service are brought to the attention of all officers concerned.

(c) Serving Officers

Serving officers will adopt and convert as appropriate to the new grading structure and designations provided in the Scheme of Service though they may not be in

possession of the requisite minimum qualifications prescribed in the Scheme of Service. For advancement to higher grades, however, officers must possess the prescribed minimum qualifications and/or experience required for appointment to the grade.

5. PROVISION OF POSTS

A scheme of service does not constitute authority for creation/upgrading of posts. Any additional post(s) required under the new grading structure must be included in the establishment proposal for consideration and approval by the Public Service Commission or the County Public Service Board as the case may be.

6. ENTRY INTO THE SCHEME

(a) Direct Appointment

Direct appointment will normally be made in the grades of Enrolled Nurse III, Job Group 'G', Registered Nurse III, Job Group 'H' and Nursing Officer (Intern), Job Group 'K' provided the candidate is in possession of the minimum academic qualifications prescribed in the Scheme of Service for that grade. In exceptional cases, however, direct appointment may be made beyond these grades by the Public Service Commission/County Public Service Board on the recommendations of the Principal Secretary/Chief Officer responsible for the Nursing function.

(b) Incremental Credits

Incremental credit(s) for approved experience acquired after obtaining the minimum prescribed qualifications for the grade may be awarded at the rate of one increment for each completed year of approved experience provided the maximum of the scale is not exceeded. In granting incremental credits, any period of service stipulated as a basic requirement for appointment or promotion to a particular grade will be excluded.

7. ADVANCEMENT WITHIN THE SCHEME OF SERVICE

The Scheme of Service sets out the minimum qualifications and/or experience required for advancement from one grade to another. It is emphasized however, that these are the minimum requirements entitling an officer to be considered for appointment to the next grade. In addition, advancement from one grade to another will depend on:

- (i) existence of a vacancy in the authorized establishment;
- (ii) merit and ability as reflected in work performance and results; and
- (iii) approval of the Public Service Commission or the County Public Service Board as the case may be.
